▶ Step 4 – Register your organisation

Register your organisation

To register your organisation or as a natural person, you need to login into the Portal or, if you are a new user, create your account.

Check what information you need to register in the Online Manual - and keep it to hand during the registration procedure. To start registration, click on the button below.

[Participant register \(europa.eu\)](#)

Register your organisation

You can suspend the registration process at any time: the data entered can be saved as draft and you can continue your registration later. To return to your registration, please log in and get into My Organisation(s) in the My Area section. Incomplete, draft registrations are automatically deleted after one year.

Additionally, for actions where the SME status is an eligibility criterion (like, e.g. the SME Instrument) you must also carry out the SME self-assessment.

Should your project or tender be successfully evaluated, the registered data will be verified by the Validation Service team before the signature of the Grant Agreement or of the Framework Contract.

▶ Step 4 – Register your organisation

✓ Registration completed

You have successfully registered in the Participant Register. Your PIC number is:

886090830

Please note that registration in the Participant Register only covers the basic legal entity data. You may be asked for further information if you apply for EU funding or tenders with specific eligibility conditions (e.g. SME validation, control of ownership, etc). Please consult the Funding & Tenders Portal Online Manual for information on data updates, document upload, and contacting the Validation Service.

- ↖ Update your organisation data
- ↖ Upload the documents needed to validate your organisation when indicated /required
- ↖ Read/send messages from/to the Validation Services

To update your data please click on 'Continue to update' or log-in into Funding and Tenders Portal (My Area/My Organisation/Modify organisation).
