WEBINAR ON CROSS-CUTTING ISSUES IN HORIZON EUROPE

DATE AND TIME: 28 MAY 2021, 10:00 A.M.-13:00 P.M. (CET+1)

WEBINAR OBJECTIVE: The objective of the event is to provide up-to-date information on the cross-cutting issues Horizon Europe applicants should take into account when preparing their proposals. In particular, it will provide information to potential applicants regarding the requirements relating to **Gender Equality Plans and Mainstreaming, Ethics, Open Science, Security Appraisal Process and Social Sciences and Humanities**, as well as information on support to the applicants available at both National and European levels.

TARGET AUDIENCE: The webinar is addressed to **all Horizon Europe potential applicants** (with at least some basic knowledge and understanding of Horizon Europe Framework Programme's modalities) from all disciplines and types of organizations (e.g. Higher Education Institutions, Research Organizations, SMEs, Enterprises, Researchers and Innovators).

SPEAKERS: The presentations of all the Cross-Cutting Issues will be delivered by European Commission representatives.

WORKING LANGUAGE: English

ONLINE PLATFORM & REGISTRATION: The event will be streamed on ZOOM. For registrations, please click [here](#).
