CYPRUS INFO DAY - PRIMA CALL 2023

DATE AND TIME: 9TH FEBRUARY 2023, 11:00 - 13:00 (LOCAL TIME)

PLACE: ONLINE

AIM OF THE EVENT: The webinar will present the topics of the 2023 Call of the Partnership for Research and Innovation in the Mediterranean Area (PRIMA), in which Cyprus is also participating. Project Officers from the PRIMA organisation will be the keynote speakers, who will present the topics from the two new calls of PRIMA (Section 1 and Section 2). Also, two Cypriot PRIMA participants, Prof Adriana Bruggeman (The Cyprus Institute) and Dr Constantinos Panagiotou (Eratosthenes CoE) will be invited to share their experience as PRIMA grantees in past calls. At the end of the webinar, participants will have the opportunity to post questions and receive answers from the invited PRIMA officers and Cypriot beneficiaries.

TARGET GROUP: Public and private organisations with activity related to the thematic areas of PRIMA and with interest in participating in the next Call for Proposals.

SPEAKERS:

- Eda Demir, PRIMA Project Officer
- Marco Orlando, PRIMA Project Officer
- Prof Adriana Bruggeman, Associate Professor, Energy Environment and Water Research Centre, The Cyprus Institute
