## Cypriot-Czech Info Day on European Partnerships Clean Energy Transition (CET) and Driving Urban Transitions (DUT)

22nd of September (Friday), 10:00-12:00 CET (11.00-13.00 Cyprus local time)

**Objective:** This event aims to inform potential applicants from Cyprus and Czechia about the new calls of the co-funded partnerships Clean Energy Transition (CET) and Driving Urban Transitions (DUT), as well as to foster collaboration between partners of these two countries. The first session will be focused on general information about the partnerships, including separate sessions for the national rules of participation of each country. Then, participants will have the opportunity to connect with potential partners via a joint pitching session, with 3-minute presentations from Cypriot and Czech organisations.

**Target audience:** Any public or private organisation from Cyprus and Czechia which is interested in participating in the new calls of the partnerships CET and DUT.

**Working language:** English
