| <p>Short profile of organization:</p> <p>AL-VR (Legal name "360 laipsniu filmai") is an award-winning multimedia original content studio with virtual reality, film, and digital divisions led by audiovisual storyteller Andrius Lekavicius. We partner with award-winning writers, producers, and animators to awaken the imagination and deliver content to worldwide audiences. AL-VR has built a library of marquee media properties and has established itself as a trusted brand that consistently delivers high-quality entertainment including intellectual property with a social appeal.</p> <p>We believe that there is a unique medium that embraces the best elements of 360° video, computer games, and traditional film that will ignite the mass-market adoption of VR which is called Interactive Cinematic Virtual Reality. Our first foray into original content "Code of Freedom 1991" has received critical acclaim and traveled in festivals as an exhibition.</p> <p>Currently, AL-VR is working on a location-based interactive VR experience CHRONOS that is a co-production with A Film Company (Switzerland).</p> |
